## **SERVICE AGREEMENT**

A \$95.00 non-negotiable, non-refundable, deposit is required to be paid at the time of requesting any service prior scheduling. (This does not include pool openings/closings or contracted work). The deposit and completion of this agreement along with the **Credit Card on file Agreement** (please see Credit Card on File Form) will secure a scheduled day of service. Please note that a valid credit card to be kept on file is required and mandatory for any service and there are no exceptions to this policy. The date of scheduled service provided is a tentative date and is not permanent until all requirements of both agreements are met. The deposit will include up to the first 30 minutes of labor. Any time after the initial 30 minutes will be subject to additional labor charges at \$140.00 per hour, billed into 15-minute increments. The deposit and/or labor charges DO NOT include any chemicals, parts, or materials. They will be billed additionally as needed upon completion of the requested work.

If the customer sets up service with a different company after scheduling service with Oasis Pool Service and fails to notify the office the deposit fee of \$95.00 is non-refundable, the invoice will be closed. If the customers would like to schedule another service afterwards then a new service fee of \$95.00 will apply.

-If inclement weather occurs on the schedule day of service, the service will be postponed, the customer will be notified and a reschedule date of service will be set.

-In signing this agreement and providing a valid credit card to be kept on file (please see agreement) you are understanding and accepting all term and conditions provided by Oasis Pool Service. Failure to comply with any of these Terms and Conditions can result in postponement or termination of service.
