

The Board Of Directors is concerned that some residents may not be aware of the watering times at Creekside Preserve. So we are sending this along to all residents to let you know the watering regulations and times that are required by the Southwest Florida Management District. If the watering times are not met, that could cause the association to be fined and could require an assessment of the members. We want to avoid that. The days and times that each address in Creekside Preserve can water is in the attached watering schedule; the colors on the schedule are according to what is required by SWFMD.

NOTE: NO WATERING SHALL OCCUR BETWEEN THE HOURS OF 10:00 AM AND 4:00 PM.

WATERING IN CREEKSIDE PRESERVE IS LIMITED TO ONE TIME PER WEEK.

WATERING IS RESTRICTED TO THE DAY AND TIME LISTED ON THE ACCOMPANYING COLOR CODED CHART.

WATERING EXCEPTIONS: AFTER NEW TURF/SOD IS PLACED WATERING MAY OCCUR ONE TIME PER DAY, FOR A PERIOD OF THIRTY DAYS.

AFTER FERTILIZING WATERING MAY OCCUR ONE TIME PER DAY FOR A PERIOD OF THREE DAYS.

THANK YOU FOR DOING YOUR PART
