RESORT ACTIVITIES & SIGNATURE
EXPERIENCES

Our daily signature experiences and excursions are determined based on the prevailing tides, weather, guest preferences and local happenings. Some are complimentary and others have an additional fee as noted below. Of course you can always snorkel our house reef, kayak the calm waters of our back bay, go hand-line fishing, hike our 64-acre peninsula, play volleyball, bocce or board games at any time too!

Guided Snorkeling on the Nukuni house reef	Right off the beach in front of the resort you'll find the Nukuni reef. There is an abundant of marine life including hundreds of tropical fish and varieties of coral stretching from one end of the peninsula to the other. Our team will guide you in a snorkel tour from the jetty to explore the world beneath the waves. All snorkel gear provided.	<i>Complimentary</i>
Hosted Village Excursion to Kioa or Nawi	Curious how Fijians in a tribal setting live? Be the guests of honor at one of two local villages Nawi or Kioa. With an escorted visit you'll be behind the scenes of traditional Fijian village life. See the kids in the local schools, listen to the choir at a Sunday church service, get the chance to purchase local handicraft and perhaps even share a bowl of the kava (a popular sedative drink made from the crushed roots of a plant of the pepper family). Women should be sure to wear clothing that covers their shoulders and their knees (a sulu/sarong is perfect). Hats should be also be removed before entering the village.	<i>Complimentary</i>

Taveuni Insider day trip	A day trip to Taveuni begins with a 20 minute boat ride over to Taveuni where you'll meet your driver and guide. First stop: The 180 degree Meridian line or International Date Line for a photo opportunity. The date line runs right through Taveuni meaning that each new day starts exactly here. The Wairiki Mission Church is also a must-see in Taveuni, the Catholic Church was built in 1907 in honor of a French missionary who successfully advised Taveuni's warriors in how to defeat invading Tongans in a major battle. It's an imposing stone structure in the Roman style with stained-glass windows and the only seating are floor mats. Fijians are known for their beautiful a cappella singing and Sunday services here are a fantastic way to experience this. After this stop you might like to choose to peruse some of the Taveuni shops and markets (closed Sundays) and then drive approximately 40 minutes to the Bouma Waterfalls. The scenic drive will take you along the coastline of Taveuni and through Bouma village. At the heritage park you will see the entrance to the trail which will guide you through the rainforest full of rare tropical birds and island foliage. The walk to the first waterfall is 10 minutes and generally flat. The second waterfall is a medium incline but is well worth it for the views. You can swim in the waterfalls here and rest for your picnic lunch. For the adventurous there is also the third waterfall (an additional 30-40 minutes climb). The cost includes transport, guide, park entrance fees and a picnic lunch.	<i>F150 per adult (children complimentary in same car)</i>
