130 series

Aluminum Anodized Finish

Simple but fashion. Triangle leg and beam,

connect with square and strong brackets, makes the table clean and modest . Aluminum finishing plus chrome brackets, make you feel elegant and valuable. It is so delicate even in the smallest corner.

TF-130-168-4WFF

Lots of combination with triangle leg and beams

Will suit any space demand. It has many appendants such as screen systems, cabinet, screen accessory wire managment. No matter how you design your office, it works for you.

You can never be bored with the Vi18 range.

You can change the look and layout without getting a whole new range. Simply reposition components and refresh the look by insering different panels.

Cluster of 4 face
to face with cable
tray and aluminum
screen panel.

::Vi18 [2]

::Vi18 [3]

::Vi18 [4]

Here is low Divider-Cabinet & Desk option. The cabinet serves as a connecting device for desks with a railing system or without, you can configure the workspace according to privacy, function & design needs.

Now you can get easily and cost effectively design and configure a stylish and productive workplace.

With the ingenious Vi18 range you can add core components together with amazing ease and interchange them to create open or private work spaces.

See how Vi18 with its minimalist style and clever connectivity is the refreshing way to transform your office environment again and again.

Vi18 is an ingenious modular system, not just because of the simplicity of connecting and reconfiguring - but also because there are many creative opportunities for customisation. For example: Aluminium framed panels can be supplied in your choice of color and materials.

With high grade material, comfortable and elegant color, and reasonable layout, it adds more elegant tastes to your conference life.
