Let us plan a nice Pittsburgh experience for your group!

## An Inspirational Day in Pittsburgh

One of my favorite places to tour is the **Pittsburgh area**. I have always been fascinated by the historic buildings and their architectural design that seems to reflect the prominent merchants, financiers and industrialists of the late 1800's. Some of the most beautiful architecture designs can be found in Pittsburgh churches. One in particular is the Calvary Methodist Church, which was one of the most elegantly appointed places of worship in the world in 1895. Louise Comfort Tiffany created the beautiful stained glass windows that utilize the natural sunlight to enhance each window design, created to depict stories in the Bible. This incredibly beautiful French Gothic structure made of the world best materials and craftsmen is truly a piece of history worth seeing. Join us on one of our **TIFFANY CONCERT SERIES TOURS IN PITTSBURGH**.

**MARCH 13 – SUN (We can accommodate individuals and groups on this date)**  
**PHIPPS FLOWER SHOW/ TIFFANY CONCERT / DUQUENSNE INCLINE.....\$69.**

Our tour departs early afternoon to enjoy a spectacular view of the city from the observation deck of the Duquesne Incline. We will tour the fascinating gear room and experience the incline ride before our visit to one of the most beautiful churches in Pittsburgh. Our spirits will be enlightened as we enjoy the 4p.m. performance of “**Flute and Harp Fantasy**” at the Calvary Methodist Church. This program supports the restoration of the incredibly designed **Tiffany Windows**. Our last stop offers a fresh breath of air at the Spring Flower Show at Phipps in the Oakland area. The café, gift shop and healthy dose of color and inspiration throughout the conservatory will chase the winter blues away! Plan to join us, bring your camera and a friend! This is a perfect family outing. Don't miss out on this opportunity!  
**TOUR INCLUDES:** Motor coach transportation, Concert, Phipps admission, incline and touring.

**APRIL 24 – SUN**  
**National Aviary/ TIFFANY CONCERT “Afternoon of a Faun”.....\$69**

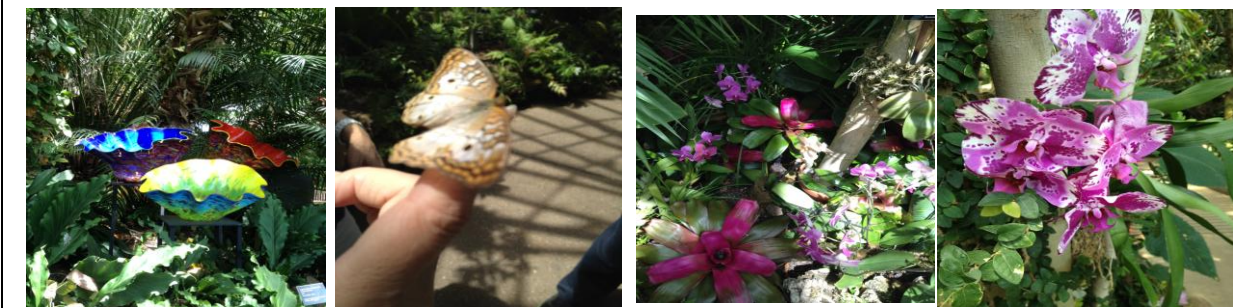

Our visit to the North Shore of Pittsburgh includes an escape to the vibrant world of birds at the **National Aviary** prior to our 4p.m. performance of “**Afternoon of a Faun**”, at the beautifully preserved historic **Calvary Methodist Church**.

**NOV - DEC - 2016**  
**FRICK MANSION / PHIPPS WINTER FLOWER SHOW**

**The Frick Mansion, art museum, car & carriage museum** is a great stop on our Oakland Tour. History, cars and stories of the great industrial giants captivate our attention during our visit. The festive atmosphere at Phipps conservatory is full of colorful lights, gardens, luminous orbs, trees and fountains of light. The Garden Railroad offers a magical experience for children and adults as one browses throughout the Botanical Gardens .
