NEW: We would like each guild to identify a person to be their "guild contact." This person does not need to be a guild officer, but should 1) routinely and frequently check their email and 2) be knowledgeable about who in the guild is responsible for what functions. We will set up a generic email address (ex, flyawaycontact@ncqc.net) that shows on the guild page and is forwarded to your specific person (whose email address doesn't show anywhere). We believe this will help guilds trying to arrange Opportunity Quilt visits, sharing program speakers, advertising quilt shows, etc.
