## Immanuel - God with Us

**IN HIM** - This season we celebrate the coming of our King in physical form to earth. He came as a humble child, lived as a humble but powerful man and then, after conquering the mark of sin on our lives thru His death, burial, and resurrection returned to His seat by the Father. This season we give thanks for the fact that even though the Son has left in physical form He has given us his presence thru the Holy Spirit to comfort, strengthen, and empower us for holy and righteous living in a sin sick and broken world. Thanks be to God for His indescribable gift.

**Praise Him this season. Ephesians 1:13-14 "... In Him, you also, after listening to the message of truth, the gospel of your salvation—having also believed, you were sealed in Him with the Holy Spirit of promise, who is given as a pledge of our inheritance, with a view to the redemption of God's own possession, to the praise of His glory.**

**Communication** - We have been always used occasional letters to communicate with you as supporters. These newsletters include a donor envelope for your convenience. We realize not everyone uses the envelopes as well as some of you have electronic media, e-mail, etc. available to you. Take a minute to indicate your preference to us about future communication. Would you like to receive paper, electronic (e-mail), or be unsubscribed from newsletters. You can do one of the following.

- \*\* Write a note letting us know your communication preference and use the enclosed donor envelope to return the note to us.
- \*\* Simply e-mail us at "administration@fairviewtlc.net" and indicate your preference, paper or electronic.
- \*\* Do not respond and you will simply continue to receive newsletters by regular mail.

**Thanks for your help with this matter.**

**Finances** - We are so grateful for the outpouring of generosity at the October 8th fundraiser. We were overwhelmed by the response of those attending the event as those who mailed in donations and the matching donors. We need each part of the body to continue to function. We ask you to consider us in your year end planned giving but also encourage those of you who can give gifts of \$20, \$50, \$100 or more regularly to consider that in this upcoming year. You can take advantage of either by using the envelope provided or the "Donate Now" button on the website at the address below.

God continues to be faithful in providing resources needed to  
continue the ministry here at TLC.

Thanks for considering us.
