Policy Statement

The Summer Village of Yellowstone requires that all privately-owned boat lifts, pier sections and pier stands be removed from the municipal reserve areas, public parks and parkways by June 1 of each year.

Reason for Policy

The Summer Village of Yellowstone has deemed it necessary to remove the boats lifts, pier sections and pier stands to provide consistent park maintenance. Removal of these items also allows all residents in the Summer Village free and unencumbered access to the municipal reserve areas, parks and parkways.

Related Information

The Summer Village of Yellowstone does allow for storage of privately owned boat lifts, pier sections and pier stands on the public parks and parkways during the period of September 1 to May 31 of each year. Storage of these items must be to the side of the municipal reserve, park or parkway, so as to not interfere with public access to the lake.

Residents may contact the Summer Village Administration during regular office hours Monday through Friday to arrange for access through a locked gate to a park to remove their boat lift and/or pier sections.

Responsibilities

It will be the responsibility of the owner of the boat lift, pier section or pier stand to remove their item from the municipal reserve, parks or parkways prior to June 1st. The Summer Village may remove all privately-owned boat lifts, pier sections and piers stands remaining on the municipal reserves, parks or parkways between June 1 and September 1 of each year.
