The Elks Tale will only be distributed every other month, December, February and April for now, the website will still be maintained with current information.

Exalted Ruler Message

Hello Fellow Members:

I would like to take a moment to wish everyone a Happy Holiday season. It is hard to believe it is the holiday season already. In this season of caring and sharing, please take a moment and reach out to someone and show them some kindness.

I would like to share some information about the status of the lodge with the fellow members. The budget committee sat down at the end of October and went over the budget again and made some very difficult cuts. These changes should make the lodge financially stable at this moment in time. We feel confident that we will be able to weather this storm. Currently the COVID-19 cases are increasing across the country and across our region. With the concerns of the overall well being of our members, we have decided to cancel the Children's Christmas party in December. We will not

have a New Year's Eve Dance this year. Our Remember service will be held on a Zoom meeting in December. We will be cutting back our monthly newsletter to every other month. You will receive a December and a February Newsletter for the remainder of the year. Please remember we are open for hot dinners currently Thursday through Saturday.

The officers, Board of Directors and the House Committee are working very hard to do everything possible to keep this lodge open and safe for all of our members. We continuously watch the guidelines from Tri-County Health, Grand Lodge, and from the State Health Department. As we move forward into 2021, we will evaluate future events and dances as we get closer to each event time window. We want the lodge to be a safe space for every member to enjoy and have a great time.

Fraternally,

Kelvin Kos *Exalted Ruler*
