

## 2021 NHSGA SSI Refund Policy

- Due to the forever changing situation with Covid, the refund policy will be somewhat different this year.
- We NEED committed athletes and coaches this year more than ever.
- Due date for forms/payments/etc is April 3<sup>rd</sup>- If we have enough committed athletes/coaches at this point we will host the SSI. If we don't have the number that we need then we will have to cancel.
- We will determine if we will financially be able to host the meet depending on committed athletes and coaches on April 6<sup>th</sup> and inform Lead Coaches at that time.
- If we have enough gymnasts/coaches, we will proceed. If a state has an additional gymnast(s)/coach that would like to enter the meet, they will need to pay the late fee of \$20 per athlete, \$10 per coach up until May 3<sup>rd</sup>. After May 3<sup>rd</sup>, no athletes/coaches will be accepted.
- If we cannot proceed due to insufficient numbers we will refund all monies.
- **We will NOT be able to refund any entry fees(coach/athlete) after April 3<sup>rd</sup> as we will need the financial commitment to host the meet.**
- We are trying to be as reasonable as possible.
- At this point we do not know what the spectator policy as it is dependent on the FL restrictions and Estero Recreation's policy. We are currently working on the ability to live stream the competition where as parents/families/friends could watch remotely.
