*Meeting Called to order at 7:30pm By Sam Shillabeer.

*League news: 2/20/17 was the last meeting. EPYSA is pushing for u8 and u10 small sided games, this spring will not be set up this way. U10 will likely be 7v7 for fall due to numbers, there is an additional league call and meeting coming up. No heading in u12 and under continues. Make sure all coaches are up to date with concussion training. A coach is in charge of having a kid sit due to a possible concussion not the referee. Game reporting: all refs will be licensed in u8 and up as of this coming fall. EPYSA meeting in Lancaster is scheduled for 2-26-2017, contact Doug Eby if you are interested in attending. Group net will continue to be used. Spring start date is April 8. March 6 will be the deadline for team applications. Website for LVYSL is down at the moment. U14 girls might only have 3 teams, co-ed option was discussed, and EUC would be in agreement with co-ed if there were a limit on the number of boys on the field.
