### IMPORTANT INFORMATION ON BRUSH BURN SITE

The brush burn site was created for a convenient place for property owners within the city limits to easily access and dispose of tree limbs, leaves, and grass clippings. Reminder the brush burn site is a KDHE permitted site. Failure to follow the rules posted will result in a modified schedule of when the site is open for use by residents and/or KDHE revoking our permit leaving residents without easy access to dispose of tree limbs, grass clippings, and/or leaves.

The following rules must be followed:

- Do not drag tree limbs throughout town on city streets.
- If you lose tree limbs or drop tree limbs while taking them to the site, please pick up the limbs left in the street.
- All tree limbs need to be cut to 5 ft. or shorter in length.
- No household trash, tires, appliances, etc.
  - No treated lumber.
  - No lumber with nails or screws.
- The site is only for use for properties within the city limits.
- Commercial use of the site must be preapproved before use and approved fee schedule will be charged per use.

**Security cameras in use and violators can be prosecuted in city court.**
