

The Ministry of Lectors and Commentators invites all Catholic adults in the parish of Sacred Heart to read the liturgical selections of the Mass to the gathered congregation. Being a Lector and Commentator is a great way to deepen your appreciation of Sacred Scripture, and assist your fellow parishioners at Mass to clearly and prayerfully hear the Word of God. Lectors are needed for daily Mass, as well as at every Saturday and Sunday Mass. Reading the Word of God to the Faithful is an extremely rewarding way to serve the parish.
