2017 PA Xcel State Championships

May 6th - 7th 2017
Xcel Levels
Silver / Gold / Platinum / Diamond

Ahoy Mates! Erie Gymnastics be proud to be thee host of this years Xcel State Gymnastics Championships! We welcome you and your mates to the shores of beautiful Erie, PA.

We will be hosting the State Championships at the beautiful Bayfront Convention Center. It is right on Presque Isle Bay, and offers a beautiful backdrop for the event. Attached to the Convention Center are our 2 Host Hotels - Bayfront Marriott & Bayfront Sheraton which are both beautiful & convenient.

Our "MEET THEME" is "A Pirate's Life for Me!" There is plenty to do here in Erie in the Spring! For this Meet, we've teamed up with the Lake Erie Pirate Ship "Skallywags"! Skallywags is a 54 foot Pirate Ship (holds 75 people - your entire Team & then some) that docks right off the Sheraton, and gives water tours of Presque Isle Bay, while singing, dancing to traditional Pirate Songs as well as shooting Water Cannons and searching for Booty. (Recently featured in the Jim Gaffigan Comedy Special - "Cinco").

Hungry & want something to eat? Just a short walk away is "The Cove", and "Rum Runners" - both popular with the Boaters. You can even go up our Dobbin's Landing Tower for a breath taking view of Erie & Lake Erie!

There are 100 other things to do up here in the Spring. We have Splash Lagoon Indoor Water Park which is a blast for everyone with numerous Water Slides, Wave Pool, Lazy River, Game Room, and a even a Tiki Bar for the Parents. We are also very close to the Millcreek Mall Shopping Complex which is a huge Mall Complex built up because PA does not charge sales tax on clothing, so the mall gets lots of traffic from out of state and Canada. We also have beautiful Presque Isle State Park located right by the Convention Center which attracts numerous people in the Spring for its wildlife & beaches. This is also Wine Country, and you can visit and tour over 30 local / national wineries. Adults can also visit our new Presque Isle Downs & Casino which is only minutes away. You can even fish right off the docks at our Convention Center where we are famous for huge Walleye, Small Mouth Bass, Salmon & Perch. You, your athletes and parents are sure to find something fun to do while in Erie.

All information will be posted on our website— www.eriegymnastics.com / meetmaker.com / and the State Website. We have a list of Host Hotels & their proximity to local attractions. We will also post flight times, Age Groups / scores & additional Meet Information on our site. Please expect this no earlier than 2 weeks prior to the Meet. We can NOT schedule sessions until all athletes have entered.
