This Multi-Week Clinic is designed to introduce boys and girls to the wonderful sport of volleyball in a fun, positive, and enriching environment. Proper techniques in passing, setting, hitting, and defense will be the focus points over the course of the clinic. Groups will be split by grade and ability to maximize the learning experience for all players. Space is limited, so register today!

Volleyball Academy of America is a Non-Profit Organization dedicated to making a difference in kids' lives through Volleyball. Our mission is to bring this great sport to youth across the country through partnerships with schools and community organizations, while at the same time providing mentoring opportunities to Advocates, Ambassadors, and Professional Athletes who endeavor to make a difference in the lives of young athletes.

Gary Reznick, Academy Director

Gary has been playing and teaching volleyball for over 30 years. He has competed both at the NCAA Division 1 level, as well as internationally. As a player, he has been taught by some of the best teachers of the sport, and brings that experience to his craft and to his Camps, Clinics, and Teams.
