### PAST MEMBERS "THANK YOU"

The Shoal Lake Agricultural Society has been operating since 1885 – that is 139 years since its inception! We would like to take this opportunity to recognize past and present members that served on this committee and those that still participate on the committee. What an accomplishment you have made. With the timeless support of volunteers, the Agriculture Society has flourished. Without the dedicated effort and enthusiasm of members and donors, the committee would not have been able to progress all these years.

## **MGRA General Rules**

1. Exhibitor ages 18 & under and 12 & under as of January 1<sup>st</sup> of current year.
2. The age for Junior Horse is to be noted as 5 years and under. The horse or pony is to be ridden in a snaffle bit or bosal, with two hands.
3. Horses to be shown under clean serviceable western tack.
4. Contestants must appear in clean, neat western attire (western hat & boots, colored pants, denim blue jeans worn only with chaps, and long sleeve shirt).
5. In all events western hats are to be worn crossing the start line.
6. Contestants may be disqualified for abusing horses in any manner. Disqualification will result from contestant hitting his or her horse in front of cinch or going off pattern during a race.
7. A horse cannot be ridden by more than one rider in the same class, but a contestant may ride a limit of two horses in each class (both to be saddled).
8. Western Pleasure – flat footed walk, jog, lope, both ways of the ring, on a reasonably loose rein and on the correct lead at all times. Only one hand on the reins (Split reins or roman, no tie downs, running martingales).
9. Reining courses are set with markers on the wall. Horses are disqualified for not following the exact pattern, riders changing hands on the reins, using two hands or whipping horses. In reining Pattern #5, the spins have been reduced to 2 spins each, direction.
10. Pole bending course consists of six poles 21 feet apart and 21 feet from the starting/finishing line. Knocking over a pole adds a three second penalty and riders are disqualified for going off pattern, touching any pole with a hand or crossing the finishing line before the course is finished.
11. Men's, Ladies', Junior' and Pee Wee Barrel racing – either barrel one or two may be taken first but contestants will be disqualified for not following the cloverleaf course. A five second penalty is given for each barrel knocked over, but a contestant may, from a riding position, hold a barrel from falling. The Start-Stop line has been increased to 45 feet, this distance has priority over pattern distance between barrels.
