DESCRIPTION: The Martin Rebel was designed as a youth bow. It has a slim riser with a comfortable grip. It is not ideal for an adult with a long draw length as it begins to stack at 28". This bow is in excellent minty condition. Has a stabilizer bushing and factory installed quiver bushings. Bow has no delamination; no cracks; limbs are straight. Double-sided overlay tips. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Comes with a new rug rest and side plate, and a new string.
