

Social Security

Social Security is the primary source of income for many seniors and an important part of retirement planning for all adults. Knowing the facts about this crucial government program is important to all adults. The following resources will give you the facts about this program and its future.

Social Security Administration <http://socialsecurity.gov>

This is the official site for information about Social Security. Eligible recipients can apply on line to start their benefits and current recipients can make changes as needed. Adults who have earned enough credits to receive benefits (40 quarters) can complete a form that will give them an estimate of their retirement benefits based on their earnings record.

AARP <http://www.aarp.org/socialsecurity>

This site includes many insightful articles about the future of Social Security, myths that exist about the program and how you can have a voice in the debate.
