### **Meeting time and place**

Next meeting will be at the field.

Meeting time 7:00PM.

Minutes and treasury report were accepted as read. Our Jet Flyin is scheduled for March 22-23. Keith Alexander will be the contest director. We hope to have as good a turnout as we had last year.

Keith motioned for the club to purchase a fire extinguisher, two shovels and two rakes. Chuck second the motion. The purchase price was limited to \$170. The vote was unanimous.

Our swap meet is scheduled for January 26 at Bethesda and also an electric flyin on February 9th. We had much discussion on the grass cutting duties. As it stands, Keith Alexander will keep the runway cut and will be paid \$600 and Tim Murrell will cut the pits and parking area and will be paid \$1800. We will revisit this at the March meeting.

A motion was made by Tom and second by Steve to purchase preemergence, grass killer and fertilizer for the flying field not to exceed \$750. After some discussion the vote was unanimous.

With no further business the meeting was adjourned.

Respectfully submitted,

Joe Vaughn—Sec.
