## Resident Notices:

The LaSalle County Public Health Department has notified the Village that they are seeking VOLUNTEER residential water testing.

In 2018 Allegations of Non-Compliance of Illinois EPA regulations for operating a Clean Construction Demolition Debris (CCDD) was filed in the LaSalle County Circuit Court Thirteenth Judicial Division by the Illinois States Attorney General. The court ordered those two sites to cease operation. These sites are located in Sheridan at 4201st Rd and Weinsland. The Village of Sheridan has been doing quarterly water testing since 2014 as a precautionary measure to ensure the well water is safe for human consumption. The Department of Public Health is asking for VOLUNTEER residential water testing closer to the facilities. It is our understanding that this is to ensure our water remains safe.

Questions can be addressed to the LaSalle County Public Health Department at 815-433-3366.

The Village Board will consider placing “NO PARKING” signs OR possibly a turning this into a One-Way only access for the alleyway in Block 5 of the Original Town of

Sheridan (Behind the Sheridan Food & Liquor Mart to Country Company)

at their June 10th Board Meeting.

If anyone has concerns of this please plan to attend.

## Chapter 7 –Garbage, Refuse & Recycling

No grass clippings, leaves and other types of landscape waste shall be placed for garbage or curbside recycling pickup except between the months of April through November when the successful bidder shall provide for weekly pickup of two bags of yard waste.

Leaves and landscape waste may be burned on private property only at such times as the Village does not maintain a disposal site for such. During periods of time that burning is allowed, the burning may only take place during daylight hours and supervised by an adult and must be fully extinguished. No garbage may be burned.

*Village maintenance does NOT pick up yard waste. They will however take twigs and branches after storms if placed in piles at the berm. Groot garbage hauler will take 2 bags of yard waste each week from April to November. Additional bags can be picked up with stickers purchased for \$1 each at Village Hall. Walnuts will be collected if they are placed in containers at the berm as well.*

An outreach mission of Sheridan United Methodist Church

A big thank you to our preschool staff who loved teaching our 8 graduating preschoolers readying them for kindergarten. During graduation on May 17 at SUMC, the graduates entertained us with several songs and interesting thoughts about their future! We wish them much success as they begin a new stage in life!

A big thank you to all who came to share a meal at Ottawa's Culvers or simply get carry outs during a Jennings-Lyon Day Home fundraiser night! We loved seeing so many familiar faces from Sheridan! It was a huge success!
