22nd Induction Ceremony to be held Nov. 5

The 22nd Annual Minnesota Music Hall of Fame Banquest and Induction

Ceremony will be held at Turner Halle in New Ulm on Friday, November 5th beginning at 6:00 p.m. Inductees for this year are:

- **Dick Kimmel**, New Ulm. Dick has been associated with traditional bluegrass and old-time country music for more than forty years as a performer, recording artist, and songwriter. He is a vocalist and multi-instrumentalist playing guitar, mandolin and clawhammer banjo performing throughout North America and Europe.

- **Doug Kodet**, Fairmont and **Roger Kodet**, New London. Doug's professional work with bands began in 1956, his instruments being trumpet, saxophone and clarinet. His education career spanned thirty-four years as a band director for twelve years and twenty-two years as a school administrator. Roger Began his career as a professional musician in 1953.

Playing trumpet, saxophone and clarinet, he worked with a combo until 1959 when he and Doug became partners in "The Cards Orchestra". The Cards featured old time and modern music traveling

through Minnesota, northern Iowa and South Dakota.

- **Andrews Sisters**, Mound. A famous singing trio who performed on stage, screen and radio, Laverne, Maxine and Patty Andrews began their sixty-five year career in 1931 when they were hired to perform by a vaudevillian. During World War II they made many trips overseas with USO groups to entertain our troops. The Andrews sisters had more top hits than Elvis Presley or the Beatles.

- **Minnesota Chorale**, Minneapolis. The Minnesota Chorale is Principal Chorus of the Minnesota Orchestra and ranks among the foremost professional chorales in the United States. They celebrate the human voice and its power to educate, enrich, unite and inspire by performing an ever-widening repertory of choral music, at the highest artistic level, for a broad community of audiences.

- **Keith Reese**, Lafayette. A jazz musician, but equally adapt at playing classical, pop, country rock and old time, or writing and arranging music. His career spanned 58 years. Keith's

instruments were trumpet, fluegel horn, cornet, valve trombone and piano. In the 1950s he had his own band, The Flames, and later organized the Keith Reese Trio which traveled a seven-state area. Working as a sideman, he played with many popular local and area bands.

• **Gary Rue**, Twin Cities. Once a rocker, now a respected composer of theatrical music, Gary resists labels and still has the itch for the elusive goal of perfection. Country blends into ballad into rock into power pop into torch into soul into Tin Pan Alley into campy jingle into sweet childhood. This is his musical catalog – either an eclectic testament of genius or the mark of a dabbler who won't commit to one genre.
