

# NASAC-APHIS Aquatic Animal Contacts by State

August 8, 2012

Competent Authority

Aquatic Animal Health

## Definition of Categories

---

*The Competent Authority is the agency which has statutory responsibility for the implementation of aquatic animal health measures within a state. This is generally the department of agriculture and/or wildlife agency.*

*Agencies listed as Aquatic Animal Health contacts are those that may be involved in disease issues for a state but not have regulatory authority. For instance, a university.*
