Crop Walk 2021 Information Sheet

CROP Hunger Walks are community-based walk events held in cities and towns across the United States, raising funds to support the global mission of Church World Service, a faith-based organization transforming communities around the globe through just and sustainable responses to hunger, poverty, displacement and disaster. Twenty five percent of the funds raised are returned to the host community to support local hunger fighting efforts.

Our congregation has supported this effort for many years, and we look forward to doing so again this year. TCC Northfield is now registered as a team at the Franklin County CROP Walk website <https://events.crophungerwalk.org/2021/event/newsalemma>, and here is some information on how you can participate as a Walker or a Donor, or both!
