## Teacher Grant Program

### 2022 - 2023

**The Dutch Hill PTA is excited for the return of our annual grant program for teachers. This year the PTA has \$8000 in total grant funds available to support innovation and foster a love of learning in the classroom. We are able to provide these funds because of a successful spring fundraiser - THANK YOU for your help in achieving our goal!**

#### **Objective**

Our objective is to enhance educational opportunities for students in the classroom or other learning environments through activities; materials; introduction of new technologies, techniques, or methods; visiting speakers; or programs.

#### **Application Process**

Requests will be accepted for consideration upon completion and will be awarded on a rolling basis until all funds have been dispersed. We invite you to consider collaborating to apply as a team. For example, grade-level teams might brainstorm ideas for a project that the whole grade can do or propose buying something that can be used across the different classrooms in that grade. We welcome individual applications as well.

#### **Available Funding**

Grant funding will be awarded to recipients through Dutch Hill Elementary and orders may be placed through the front office. Completed order forms, invoices, or receipts for gift cards may be left in the PTA Treasurer's mailbox.

#### **The Fine Print**

- Every effort will be made to notify grantees of awards within one week of receipt of the application.
- All teachers are eligible and highly encouraged to apply!
- All applications must be approved and signed by Cory Taylor.
- Preference will be given to grant requests that 'touch' the most students at Dutch Hill Elementary.
- Any equipment or software purchased with the grant will remain the property of Dutch Hill Elementary School after the grant period.
- Please explain your grant using verbiage that a non-educator would understand. These straightforward details will help PTA membership to understand exactly how your grant will serve the students/classroom.
- We encourage you to submit photos of your work to include on school and PTA publications /website.
- Any funds not expended must be returned to the PTA unless the PTA extends the grant period.

#### **How to Apply**

1. Start dreaming and plotting your idea! Have you ever thought, "I'd love to do this with my class if only I had..."? Well, now it may be possible!
2. Fill out the attached application or contact [dutchhillpta@gmail.com](mailto:dutchhillpta@gmail.com) for an electronic copy to be emailed.
3. Submit your application to the PTA President's mailbox in the office or email the application directly.
