The Fox Valley area Gymboree store is located at the Chicago Premium Outlets, 1650 Premium Outlet Boulevard (off Farnsworth Avenue) in Aurora (630/851-3759). There are parents who insist on Gymboree clothing for their children not only because they are of play-ready quality and comfortable, but simply because kids absolutely love them! Since many of those who create the line are parents themselves, they are successful in mixing the sensibility of children with a modern sense of style.

Gymboree clothes are available for infants, toddlers and elementary boys and girls. Girls can select from dresses and rompers, boys from soft tees to coordinated outfits. A full line of newborn essentials and accessories fill out the inventory. Well recognized brands include Gymboree, Janie & Jack and Crazy 8.

In the early days, the company offered mom and baby classes and currently operate over 900 retail stores in the US and Canada as well as franchises around the world.

Gymboree Play & Music has been fostering creativity and confidence in children ages 0-5 for over 40 years. Today over 700 schools in more than forty countries make Gymboree a global leader in early childhood development programs. Designed by experts in education and in child play, the age appropriate activities help the development of cognitive, physical and social skills of children. The curriculum incorporates a whole child approach with activity in 6 month increments to meet growing interests and abilities. Children are free to move, play and explore in a safe environment in equipment designed by a nationally respected playground designer.

Gymboree is a standalone company separate from Gymboree clothing. Parents who enroll their children in Gymboree Play & Music receive product and toy discounts, free classes, education about the child's development and access to a community of like minded moms and dads.

The Fox Valley location of Gymboree Play & Music is at 1970 West Main Street in St Charles (630/513-5400).

The most popular class, Play & Learn, uses play based activities to stretch the minds and bodies of students who are afforded the opportunity to play at their own pace in one of six classes geared specifically for the development of kids aged 0 – 5. Baby Lab! provides an innovative space for babies through ten months to explore experiences with mom and dad. Play Lab! incorporates STEAM (Science, Technology, Engineering, Art & Math) learning in a play-based setting for those ages 2 – 5. Both Parent/Child and Drop Off Classes are available, depending on school location. Music Classes allow the development of key physical, social and intellectual skills through song, dance, movement games and instruments. Students, age 6 months to 5 years, can explore the power of rhythm, melody, tonality and beat in age appropriate classes. Art Classes, designed for kids age 18 months to 5 years, draw on a child's imagination and self-expression as he or she paints, draws, creates or engages in dramatic play. School Readiness Classes combines play, movement, socialization, art and song to prepare them for entering school and beyond in a strong, confident manner. Pre-School Steps for ages 2-3 years and School Skills for ages 3-5 years are also available.

Whether for clothing or child development programs, Gymboree is a name parents can trust.
