of the Suffield Garden Club

May Market

This annual plant market and fundraiser was founded by our Club in 1977. Our members contribute plants, gourmet foods, attic treasures, and volunteer to fill a time slot on one of the work groups.

Library Flowers

One member each week provides fresh flowers, a potted plant, or a dried arrangement for the Library's main desk.

Hospitality

We enjoy a light meal with coffee and tea at our meetings. Each member contributes a plate of sandwiches or a dessert once per year.
