NATIONAL WALK TO SCHOOL DAY

Our 5th annual walks event was such a success! We would like to extend a huge thank you to all of our supporters, volunteers, and student leaders who helped make it all happen. We could not have had such an effective event without you!

- Check out our video! <https://www.youtube.com/watch?v=TgO229caa00>

Pedestrian and Bicycle Rodeo

The afternoon of National Walk to School Day, Community Now hosted a Pedestrian and Bicycle Rodeo where our wonderful students taught their peers all about bicycle and pedestrian safety. The turnout by our students and community members was phenomenal. Our team at Community Now is excited to see all of our students put all the safety rules and guidelines they learned into action! Change starts when children reflect their greatness onto their peers, and that is what we are seeing!

Let's not forget the amazing Anti-Bullying Skit by our wonderful ladies at Sugar and Spice! Our collaborative partners, Sugar and Spice, are the female leadership team at Mountain View Elementary School. We are so proud of all the efforts they have made and the actions they have taken to stop bullying and prevent future bullying!

VOLUNTEER SOCIAL

Community Now also held our first Monthly Volunteer Social, an event created to bring together all the volunteers in our community. We thank all of the wonderful community members who take initiative and become the change they wish to see in our community! Your hard work does not go unnoticed. Our next Volunteer Social is being held on **Thursday, October 29th at the MVUSD Parent Resource Center**. Come and stop by any time between 9 am – 2 pm for free food, crafts and raffle prizes! Your volunteer efforts are truly appreciated and deserve to be celebrated. We hope to see you all there!

STUDENT LEADERSHIP TEAMS

Our student leadership teams are up and running! Honey Hollow Elementary had their first Student Leadership Team Meeting and boy was it a blast! We are excited to be announcing the most recent startup of yet another Student Leadership Team at Bear Valley Elementary, and a team coming soon at Butterfield Elementary! Our student leadership teams come

together to help build our community by creating posters to encourage parents to drop off and pick up their children safely, forming a plan and script for our Rodeo, gathering brilliant ideas, and setting future goals! Recently, our Honey Hollow team helped out with our National Walk to School Day events by teaching their peers all about pedestrian and bicycle safety. What's next for our teams? They are currently working in unison on organizing an Anti-Bullying campaign!

Q: Would your student like to be a leader on their campus too?

A: Let us Know! Community Now is working on SLT's for all 6 of our schools.
