

## **2023 Softball & Baseball Little League**

Maurepas Athletics is happy to introduce a softball and baseball league for girls and boys Pre-K through the Fifth grade. Students wanting to participate do not have to attend Maurepas School. The amount of teams/schedule is based off of how many participants we have sign-up. This will be a tee-ball and coaches pitch league only. Teams will be split:

1. Tee-ball ages 3-4 (Pre-K)
2. Tee-ball ages 5-6 (Kindergarten and First Grade)
3. Coaches Pitch 7-8 (Second grade and Third Grade)
4. Coaches Pitch 9-10 (Fourth and Fifth Grade) \*\*This group may do machine pitch halfway during league. Depending on how kids progress throughout the season.\*\*

We will hold two sessions. First session will be held in May, and the second session will be held in July. Team practices will be held on Mondays while games will be held on Tuesdays and Thursdays. First session dates are 5/1/23 through 5/26/23 with the last week of May being saved for make-up games/rain out make-ups. Second session dates will be 7/10/23-7/28/23. Game dates/practice dates are subject to change especially in the month to work around school events, etc. We will have a better idea of the schedule once forms are turned in.

Since this is an introductory league working on basic skills and fundamentals of the sport of baseball and softball, age groups will be combined for practice days. (I.e. tee-ball all practices together, etc.) This is dependent on number of teams. If we have a bunch of teams then practices will still be combined, but there will be four different practices. (one for young tee ball group, one for older tee ball group, etc.)

**Also, we are looking for parent volunteers to help with coaching teams on game days. MHS softball and baseball will run practices, but it would help to have parent volunteers to help coach on game days.**

**Entry Fee:**
