License to Carry (LTC) Practice: These are held every other Thursday night from 6:00 to 8:00 PM. Introducing this month, a daytime LTC practice on Tuesday 21st at 9:00 AM. The participants get the opportunity to practice drawing from their concealment with their everyday carry pistols. All participants are closely monitored to provide a safe and fun atmosphere. There are multiple scenarios and barricades to practice various aspects of defending oneself if the situation ever presents itself.

New Daytime LTC Practice was introduced in October and will continue for those who are unable to make the evening Practices. The next one will be December 21st at 9:00.

International Defensive Pistol Association (IDPA): Practices and holds their events every other Wednesday starting at 6:00 PM. [TOP 7 CONCEALED CARRY MISTAKES TO AVOID LIKE THE PLAGUE](#) by ANNETTE DOERR

The following points are from the article from Guns.Com. (Click on the link in the title to read the full article)

- 1) Not Carrying a Round in the Chamber
- 2) Printing
- 3) Not Using a Proper Gun Belt and Holster
- 4) Checking yourself / Adjusting / Fingering the Gun
- 5) Not Having Enough Training
- 6) Not Carrying All the Time
- 7) Not Carrying Extra Ammunition

Are you making any of these mistakes that you need to make any corrections? The New Year is right around the corner and is a suitable time to make resolutions/goals.

I would add to a few of the points the following. The areas about printing and not using the proper gun belt & holster are to look at 'tactical pants'; 5.11 and Vortex, make great pants having extra belt loops and pockets, for everyday carry. For ladies, Alexo Athletica makes joggers, pants, and leggings great for concealed carry.

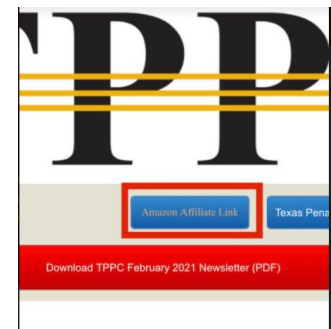

The point about not having enough training, I must plug all the events for us at the club: club competition shoots, fun shoots, LTC, IDPA, and Lady's nights. Take full advantage of these!

2) Do you believe that self-defense is a right?

[November Background Check Total Makes 2021 The Second Highest Gun Sales Year on Record](#) by Dan Zimmerman

The NSSF's Mark Oliva had this to say . . .

The report of November's figures puts 2021 as the second strongest year for firearm sales on record, behind only 2021's outlier year of 21 million background checks for a gun sale. November 2021's NSSF-Adjusted NICS total of 1,543,378 brings the year-to-date total to 16,722,291 background checks for the sale of a firearm. That remarkable figure was reinforced by the FBI's report of more than 678,000 unadjusted background checks performed during the week leading up to and including Black Friday.
