

A listing of relevant articles that have a VT/SSW history focus or cite the history of VT/SSW.

The articles listed below have different degrees of relevancy to the Visiting Teacher/School Social Work History. Some by title alone identify themselves to examine the history of the movement. Others have different subject titles but briefly do look back at the historical context found in VT/SSW. Most of the articles are from professional journals and are not linked because of copyright restrictions. Some of the articles from the Early Era and the New Skills Era might be linked.
