Spell City

Our 1st – 5th graders are doing something a little different for spelling this year. It is called Spell City. By using this program we will still continue with our tradition of having individualized spelling lists to meet the needs of every child. However, we now have the added bonus of being able to practice the words on-line both at home and at school.

Reminder

We have seen some adorable outfits so far this year. Please remember that our dress code is **solid color shirts, shorts, and dresses.** Thank you for your attention to this detail.

Our Year is Off to a Great Start!

Our first two days of school were great. We got to work in Spirit Teams to learn about school rules and expectations on Friday after Mass. We also took our annual school picture. There were lots of smiles!!

Watch for our replacement slides to be installed out on the playground! They have finally been delivered! We want to say thank you in advance to

School Picture 2016.

Mr. Kevin and the St. Joe's Workers who are going to work on getting them installed! We appreciate all their hard work! Thank you to the Thrift Cellar as well for providing the funds to purchase the slides.
