

CAL FIRE TEHAMA GLENN UNIT

CAPTAIN CONTACTS

This list was developed to assist FFI candidates in making contact with Fire Captains with the intent of obtaining a FFI position in the Tehama Glenn Unit. This list does not represent the entire unit, only State and County Fire Stations that are currently staffed with Schedule B personnel. Please direct your questions to the Fire Captains listed. This is a busy time of the year with many staff in training, vacation, work projects and regular days off. In the event a Fire Captain is not available, please feel free to communicate with the Engineers on duty. It is our goal to be available to your questions as we look forward to meeting you in person. **FFI HOTLINE TGU 530-528-5115.**
