An Update on Our Return to In-Person Ministry

North Cape Lutheran began holding limited in-person Sunday worship services on June 21, 2020. There is one service at 9:30am with a limit of 40 people each week. Please sign up for one of the 40 available openings by using the Sign Up Genius linked below or call Ann at 262-989-3581.

Please note that the worship service will have some changes to meet safety guidelines, so there will not be bulletins, singing or worship volunteers except for AV. Unfortunately, there will not be coffee and fellowship time either. The Church Board is asking attendees to wear masks, use hand sanitizer and practice social distancing in an effort to care for each other's health and safety. Masks and sanitizer are available by each entrance to the sanctuary.

Online worship will continue to be posted each week on our website, on Facebook and emailed to the Steepleview Xpress listserv for those who wish to worship from home. The Church Board will continuously monitor guidelines and practices and will make adjustments as needed moving forward. We are excited to see you again in person, and thank you for your patience and assistance in making worship meaningful and safe for all.

Calling all photographers and artists!

If you are a photographer or artist who would like to share your work with our weekly Sunday online worship services, please send images to the office at northcapelutheran@gmail.com. We would love to include your work in the upcoming services. Nature or inspirational type work would work best with our lessons and prayers.

Blessing Box

Leave what you can,
take what you need

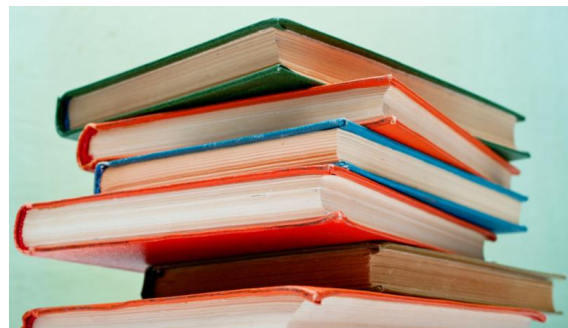

We invite you to utilize the Blessing Box that we have installed outside the South Entry at church. It is a place for you to share non-perishable food items, cleaning supplies, and hygiene items for those who need them. This drive-up, self-serve opportunity is meant for ALL people. Whether you just ran out of something and don't want to go to the store, find yourself in financial need, or realize you stocked up on more than you can use. Use the Blessing Box as a community resource.

Caring Circles

We are looking for volunteer families to join a Caring Circle with older adults. Our hope is to create numerous multi-generational support

networks connecting young and old alike. Our request is simply that you call the other members of your support network once a week, inquire about their health and safety, and share a little news about your life. (Circles will be as small as 4-6 people). We

Book & Puzzle Exchange

Due to interest, we have added a book and puzzle exchange outside of our south entry near the Blessing Box. Please drop off any

hope that this will decrease social isolation, provide a safety net for vulnerable members, and deepen relationships in our church community. We can accomplish this with a simple phone call or virtual chat. It's like fellowship time, without the coffee and cookies. Contact Ann Henderson at northcapelutheran@gmail.com if you are interested. Ann will pass your interest along to Jill Peterson, Caring and Connecting Coordinator, and she will match you up with other participants.

books or puzzles you'd like to share, and pick up "new to you" ones from the box. Depending on space, we would welcome games too! All items should be in gently used condition and can be for any age. If you are concerned about the virus, please bring a bag from home and set your new items aside for a couple days before using. Feel free to spread the word to your friends and neighbors. This is for the entire community to utilize.
