

Dear Parents

As you are aware this week the key stage 2 children started their Read Write Inc spelling programme. The Key Stage 2 teachers are pleased to report that they are thoroughly enjoying their spelling games and activities! The scheme helps the children to focus on the phonics and graphemes involved in spelling and how to recognise and use familiar spelling patterns.

We are delighted to say that the children will now be able to support their grammar and spelling practise at home too, using their Bug Club login. There is a grammar and spelling section where children can enjoy playing fun interactive games to reinforce their Read Write Inc learning.

Your child's Bug Club login details can be found at the front of their school reading diary.

We are sure that the children will enjoy the games and find that these activities will really help to reinforce their ever increasing spelling confidence.

Thank you for your continued support

The Key Stage 2 Team
