

What Needs Changing?

by Lloyd Atherton Collegevue church of Christ Columbia, TN

When you look into the mirror and your face appears dirty, it is your face, not the mirror that needs attention. The Bible is the mirror of the soul. It reveals our imperfections and shows us how to make corrections. However, some try to rework the Bible instead of reshaping their lives. Don't make that mistake. When you look into the "perfect law of liberty", continue in it. Don't be a forgetful hearer, but a doer of the work (James 1:25). Don't try to change the word; let the word change your life.

A couple of notes:

Huge thank you to Dave Schnell for teaching the "One Another" passage, he will be taking some time off from teaching – but isn't going anywhere! In light of that, Mark will be teaching the book of Colossians starting January 7th.

And... We will begin reading through the word of God in 2024, but will be reading the Bible in chronological order. In light of that, we will devote the first 10-15 minutes of each class time to talking about the previous week's reading. We will also periodically devote our sermon time to the subjects we've read about. (reading schedules are available – see Mark or Audrey, but please check your home library as you may have a copy of the book).
