## *Community Association*

From: Board of Directors  
To: Members of the Association

Date: 8/25/2020

Dear Members,

Some of you may have received correspondence or seen signs or social media posts making certain claims about the Pacific Palisades Community Association's Board of Directors.

Please be assured that we are aware of these concerns and are examining the issues with the assistance of our legal counsel

Melanie K. Oyama, Esq  
Motooka Rosenberg Lau & Oyama, LLLC

As we all deal with the reality of the COVID-19 virus, know that we continue doing the work of the board and keep the safety of our Pacific Palisades residents our highest priority. Our plans to open the community center for pool use at the beginning of 2020 were abruptly cut short by executive orders of the Governor and the Mayor.

We will follow the guidance from our elected officials on the appropriate time and proper procedures for getting back to normal, and in the meantime appreciate your understanding on the matter.

In closing we would like to announce that we have a new President of the Board, as well as vacancies for additional Directors, and invite individuals interested in serving their community to apply. Please contact us at our Email address, the 'Contact' page of our website, or by letter at the contact information below.

Sincerely,

PPCA Board of Directors  
Stanley H. Uecke, President  
Terrence Shibata, Vice President and Treasurer  
Renee Coester, Secretary  
Keone Simon, Director
