彩弹 油画 200×220cm 2005年

洪耀首創以魯班彈線方式創作，張力、爆裂、憤彈，凝聚釋放於彈線重擊於畫布的一瞬間，創造出洪耀獨一無二藝術符號。

洪耀為武漢設計學院創辦人，曾任教於湖北美術學院，指導許多知名中國當代藝術家。

Hung Yao was the first painter that utilized Luban's ink lines in painting. Snapping powerfully on the white paper not only conveyed strong artistic tension, explosiveness and anger, but also created Hung Yao's unique artistic symbol.

Founder of Wuhan Design School, Hung Yao once taught in HuBei Institute of Fine Arts, and gave instructions to a large number of eminent contemporary Chinese artists.
