

# Dawson Covenant Church

---

## **Our Mission:**

*To know Christ, to be like Christ, and to make him known.*

## **Our Vision:**

*To be a community, living according to scripture, where God's love and transforming power are demonstrated through our lives to our world.*

Dawson Covenant Church has seen many changes since our Centennial celebration which took place in 1989. We are currently served by Pastor Terry White. Our commitment to missions has been renewed over the years, and we now support eight missionaries located in various places around the world. One of our biggest changes, however, came in 2003 when our new church building was constructed just one mile north of the church's original location. It was an exciting time of praying, planning and working together; "Opening New Doors with Christ." God was faithful to provide for us, and in early 2017 a Youth Center was added on to the church building. This space includes a gymnasium and 2 large Sunday School rooms long with a "fireside" room for meetings and events.

Today our church continues its mission and ministry through the following programs:

**Pioneer Kids:** A weekly gathering for kids age K-6th grade where they enjoy food, games, and Bible lessons.

**Hi-League:** A weekly gathering of our Jr/Sr Highers that includes shared meals, movies and discussions, mission trips, and other fun activities, always infused with Christian fellowship and devotionals.

**Adult Bible Studies:** We currently offer a Women's Bible Study on Wednesday mornings at 9:30 a.m.

**Covenant Quilters:** A group of quilters who meet twice a month to create quits which are then donated to various missions.

**Care and Compassion Committee :** A group of lay people in the church who intentionally reach out to those in our church who are hospitalized, home bound, or otherwise struggling with health issues in our church.

As a part of the Dawson Boyd Ministerial Association our church provides approximately 6 Sunday services for the Johnson Memorial Care Center each year.

We praise God for bringing us together for our mission *to be a community, living according to scripture, where God's love and transforming power are demonstrated through our lives to our world.*
