

# Memorial Walkway

**Our Memorial Walkway project will be a 4 foot wide by 17 foot long walk leading to a 12 foot diameter circle at the base of the flagpole. Initially, the bricks will be plain, but as bricks are purchased, the plain bricks will be removed and replaced with a memorial brick with up to 3 engraved lines of information regarding the person being memorialized. The memorial bricks are \$75.00 each. You can purchase a brick for any member of the Legion Family, any honorably discharged veteran, and any canine who served in the military. We will have a groundbreaking on Memorial Day 2015 and the dedication of the Walkway will be on Veterans Day 2015. Memorial Bricks are a great way to remember past and present veterans and members of the Legion Family. Memorial Bricks are on sale now. Information is available at the Post or you can call and we will mail the forms out to you. If you have any questions, please contact Ralph Litzenberger.**
