Swimmers will need an average of 4 varsity points a meet to letter. Divers will need to average 2 varsity letter points a meet to letter. Points are given in the following fashion for scoring:

6 Lane Scoring

Individual Events:	1st Place: 6 Points	Relay Events:	1st Place: 8 Points
	2nd Place: 4 Points		2d Place: 4 Points
	3rd Place: 3 Points		3rd Place: 2 Points
	4th Place: 2 Points		
	5th Place: 1 Point		

5 Lane Scoring

Individual Events:	1st Place: 4 Points	Relay Events:	1st Place: 6 Points
	2nd Place: 3 Points		2nd Place: 3 Points
	3rd Place: 1 Point		3rd Place: 1 Point

*Athletes will receive 1/4 points for relays (Ex. 1st place relay in a 6 lane pool = 2 competition points for each relay member.)

Each athlete will start the season with 10 attendance points. For each practice missed, excused or unexcused, 1 point will be deducted. Points will start to be deducted from the athlete's varsity competition point total if they surpass 10 (Ex. Swimmer has 40 varsity competition letter points, but has missed 15 practices = 35 varsity competition letter points.) At the season's end, the attendance points remaining will be added onto each individual's varsity competition point total.

Section Championships- Anyone who makes the championship finals in an individual event will automatically letter if they meet the characteristics deemed by the coaching staff as a championship athlete both in attitude and performance. The Section Meet team will be based on the best possible lineup deemed necessary by the coaching staff. Members will be considered for the section team based on the twentieth place from the previous year.
