PLEASE NOTE:

First Student and Northstar will be handling all our trips with a few exceptions (driver shortages, high demand of wheelchair bus requests and high volume of field trips and athletic charters on peak days). When we use other bus companies, their rates vary and usually start at a base rate of \$150.00 per bus. ***Please remember that trips need to fall between the time frame of 9:30-1:30pm in order to accommodate due to driver shortage.***

Remember, all transportation requests need to go through the Transportation Department so we can help alleviate any miscommunication and billing problems. If a school goes out on their own without authorization from the Transportation Department at Osseo Area Schools ISD279, it is harder for us to help, and we cannot be held responsible for the billing and any other problems that may occur with the trip. Thank you.
