

HAPPY PRESIDENTS DAY

DUE TO THE FIRCREST COMMUNITY CENTER BEING CLOSED FOR PRESIDENTS DAY, OUR MEETING WILL BE ON **TUESDAY, FEBRUARY 19TH, 7 PM**

For this meeting, we will have the pleasure of Wayne Lobaugh, our Federation President, showing us how he takes cuttings. There are many different ways to achieve those beloved cuttings, see how easy it is to expand your quantity of precious dahlias.

Also, our own Don Filand is going to have a presentation where you will need to bring your 2016 classification books. Should be a very interesting meeting!

Our tuber pak will be on Saturday, March 12th with our first sale the following Saturday at the UPS Fieldhouse. We rely on our members donations to support the Dahlia Show in August. Please, check your tubers, and donate to the club to help make this years show a big success! If there's a variety you have too many of or don't want to grow any more, I assure you that there is someone out there looking for it! Please donate, even it is only a few, anything and everything helps. I do need to know as quickly as possible as there isn't a lot of time for me to make the labels. A quick email saying what and how many you are able to donate is appreciated. Thank you in advance for your donations!

Don Filand will be supplying the treats for the meeting.
Thank you Don!
