Daylight Solar

Hangaia he, Awatea Rarama marama! Torotoro ona whakamahinga!

Welcome to the wonderful world of Learn & Teach

Hangaia e koe ake te marama o te awatea!

Te Awatea Te hiko korekore, karekau he waro, he huarahi mo te rama whare, whare, wheketere, whare putunga,... i te awatea. Karekau he hiko te whakamahi i nga ipu kirihou kua whakakiia ki te wai me te iti o te hātea.

Huihui

He 2 rita pounamu kirihou ma me te potae pango _ 2 rita o te wai ma _ 2 kapu ki te hātea _ taputapu hei poka i te tuanui _ polyester resin _

Ka mau ki te 2 rita o te pounamu kirihou ma, whakakiia te 1/2 ki te wai.

Tāpirihia kia 2 kapu o te hātea hei aukati i te tipu o te Algae.

Whakanuia te pounamu ki te wai hei rimiti ka maka ki te potae. He pai te mahi o nga rama ki te potae pango.

Hangaia he kohao ki te tuanui.

Mai i roto i te pounamu pana ki roto i te poka, potae tuatahi!

Hirihia te poka ki te kapia polyester.

Kia pai te marama kaore he pire hiko. Karekau he ruru hiko.

waho

roto

Ka whakamahi nga tangata o nga waahi rawakore i nga rama pounamu ki te whakatipu kai ki runga i nga paamu wai iti. Ka whakamahia enei rama ki te whakamarama i nga wheketere, whare putunga, ...

Akiakihia to hapori ki te whakamahi i te Daylight Solar!
