

Mile ~23.8 (Harlan Dr.)

-Ask Google, Siri or your favorite navigation partner to guide you to Quartz Hill Rd. & Harlan Dr.

Drive along Harlan Dr. for about a mile and you will intercept your runner at mile 23.8. You can cheer as they transition from and to the River Trail on this short stretch in the residences. A short walk may be necessary, depending on how congested the parking is. This may be the last opportunity for your friend to see a familiar face before crossing the finish line.

This is a really short drive to come from the Relay Exchange Zone and leaves adequate drive time to the finish at Sundial Bridge to watch your runner meet that demanding goal that is a marathon.
