TDS Company dancers demonstrate: strong dance technique; positive attitude; self-motivation; and a passion for the art of dance. These dancers range from ages 6-18 & typically participate in three to five competitions or performances (outside of Recital) per year in the New England area.

Our Company dancers take their dance skills to the next level above a recreational class – classes are more focused on technique, practice of the routine choreography & performance quality. The goal of the TDS staff is to inspire & encourage these students to work hard, have fun & find motivation within their classes & peers. Auditions are open to new & current TDS students, as well as the general public under the age of 19.

New AND current students are required to audition – placement is based upon the sole decision of the instructor(s). Ability, technique, previous dance experience/training, and previous years' attendance & classroom etiquette is taken into consideration before age. Dancers may be asked to attend an audition outside of their age group. Please contact us directly with any specific questions regarding audition requirements.

Season 10 begins Monday, September 12th, 2022

We would love to have you join our TDS Company Family! 😊
