Fee Schedule for Therapy Services

\$ Choose Your Price for Services \$

My fee for services is between \$65 to \$125 per session, allowing the client to decide what they feel comfortable to afford. Payment is due at time of appointment.

I require 24-hour notice for appointment cancellations and/or rescheduling; late cancellations/rescheduling and “no show” appointments will be charged \$50.00 and be evaluated on a case by case basis to decide if counseling services should be continued.

I \_\_\_\_\_ agree to above conditions and will pay \_\_\_\_\_  
per session at the time of service.
