

NEAR EAST RELIEF
151 FIFTH AVE.
NEW YORK CITY

December 4, 1930.

Professor Caleb W. Lawrence,
International College,
Smyrna, Turkey.

My dear Professor Lawrence:-

The "Story of Near East Relief" which is the record of fifteen years of activity at home and overseas has just been published and I am forwarding a copy to you, under separate cover, which I will ask you to be good enough to place in the library of the college.

The organization has always been very deeply indebted to you, to Professor Caldwell, to Lee Vrooman and to Harrison Maynard for the services which were unselfishly rendered to the refugees and orphans and for your continuous co-operation with the organization.

May I ask you to share this volume with these members of our overseas staff and also share this letter with them?

Sincerely yours,

H. C. Jaquith.
