CHORAL MUSIC DEPARTMENT

WELCOME TO CHOIR! Below you will find instructions on how to complete a few very important tasks as we begin this year.

The Choir Website will be a valuable resource containing information about upcoming events, deadlines, concert information, grading information, and other important details regarding the Nordonia Choral Department. The website can be found at:

www.NordoniaChoirs.com

Simply click on the tab of the choir you are in (Symphonic Chorale, Women's Chorus, Men's Chorus, MS Choir or Lee Eaton Choir) and you will find the following items.

The Choral Handbook is posted on our website. It contains all the information you need for the year. You will find items such as grading policies, concert attire and other items that allow the Nordonia Choral Department to run smoothly!

The Choral Calendar of Events is also located on your choir's website page. Make sure you mark the concert dates on your family calendars. We work hard to make our concerts the best they can be. You each play an important part of our success, so make sure you are there and ready to perform to your fullest potential!

The Medical Form Yes, we are aware that your parents have probably filled one out for the school's main office. However, because we have activities outside of normal school hours, we need to have an E.M.A. on file with the choir should we need to consult it during a rehearsal or performance. If they would like, your parents can simply print the one you fill out for the school before they "submit" it to the district. Otherwise, you can simply print a blank one from our choir website, fill it out, and bring it in.

The Choir Commitment & Information Form is a questionnaire that must be filled out. Simply click on the title and you will be taken to the questionnaire. Please be sure to hit "submit" when you are finished.

Your First Assignment is for you **AND** your parents to go to the website, read through the handbook, make a note of our concert dates and fill out the Choir Commitment & Information Form.

The Due Date for these two (2) items is *the day after Labor day*. If you fail to complete the assignment by the due date, you will lose your daily points for each day it is not completed.

We will, automatically, be sent an email from google docs with a date/time stamp telling us when you have filled out the questionnaire. Once we receive that email **AND** your E.M.A. We will mark off that you have completed the assignment.

If you have any questions, please feel free to contact us via email and be sure to follow us on our various social media platforms listed below for the latest updates!
