YOUR BOARD AT WORK

The board had meetings on June 19 and August 21 to discuss several issues:

- The security system with the Mobile Police Project Shield is up and running.
- The tennis court fence and cement block walls have been painted.
- The courts are scheduled to be re-surfaced in October.
- The board has requested that the city trim the trees along Hillcrest which block our view when exiting the neighborhood.
- The city is not going to make changes to Hillcrest Road, but will re-surface and re-paint the lines sometime this Fall.

HOA annual dues. Thank you to the majority of homeowners who have paid their dues! It enables us to maintain our common areas as well as the pool, tennis courts and security.

DID YOU KNOW?

We have a board member who keeps an eye on all the street lights and contacts Alabama Power when lights are out. How cool is that?!?

~ Pet of the Month : Etta James ~

Etta James lives with Tom and Birry Heagle on Apple Cross Dr West. She showed up one day and announced that she was “here to stay” – and so she has! Super loving, she’s always ready to greet you with a loud purr.

If you'd like your pet(s) to grace *Invernews*, please contact Chris at cdodsworth@shc.edu
Be a good neighbor! Practice bicycle awareness!!

Thanks to the wonderful weather we have in Mobile, we can bike year-round. So please be mindful of our bicyclists as you drive through our neighborhood! ☺
