DESCRIPTION: Anderson Archery Company was one of the world's largest archery distribution retailers in the 1960's (like Lancaster is today). They also contracted with select bow companies to make Anderson branded bows. This bow was likely made by Shakespeare and is a similar design to the Manitou X-20. This bow is fast and accurate for a vintage re-curve. Bow has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in good condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; A few minor scratches and nicks here and there. Limbs show some fading and minor discoloration. Decals are in good shape. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
